FIG.8

The diagram shows a rectangular screen with rounded corners. At the top is a status bar containing five icons: a person with a circle above their head, a multiplication symbol (*), a Y-shaped antenna, three vertical bars of increasing height, and a battery icon. Below the status bar is a horizontal line. The text "ACQUISITION CODE INPUT" is centered below the line. Below that is the text "ACQUISITION CODE:". At the bottom of the screen are two buttons labeled "OK" and "RETURN". A horizontal line is at the very bottom of the screen.
